RE: BACKPACKS DONATION OR SPONSERSHIP

I am writing on behalf of Moms-for-Wellington NGO acting in the Newrest/Egoli community in Wellington. Over the past ten years our main focus has been to care for, feed and teach 158 children between the ages of 3 and 6 years. These children cannot afford to be in a day-care, crèche or pre-school and unattended will be left to play in the street or surrounding areas where they can get hurt or be abused.

Moms-for-Wellington is a registered organisation with a great success record. We currently have 59 volunteers from the community working with us. We are a group of men and women who believe that over and above our own families, we can also make an impact in the lives of the underprivileged in Wellington and its surrounding areas. It is our desire to serve, equip and empower both children and parents so that they can help to bring both transformation and reformation to their communities, through a process of healing hearts and developing skills.

Being successful in our work place is only made possible through the generous funding we have received from members of our community. This year we are specifically seeking donations in the form of BACKPACKS for our 158 children. Most of them make use of shopping bags to carry their lunch box, cool drink bottles, activity papers, etc. As you can understand it is not a very stable way to transport their items.

Approximately 160 vulnerable children and 59 unpaid community volunteers will benefit from your generous donation. We humbly ask, that should you have any surplus items, that you will please consider donating to our organisation.

The donation is tax-deductible, and an ARTICLE 18 A certificate are available on request. Any support will be highly appreciated by us and the kids that we provide a service to. You can contact me on 021 864 1889 (office) or 084 368 7667 to extend a helping hand towards the needy children. If you have any queries, please feel free to contact me through the phone number above or via email at admin.mvw@telkomsa.net

Our team thank you for your support in advance!

Thanking you.

Sincerely,

Lizette Ferreira
